## DEMOLITION UPDATE

### 21 BIRNIE COURT

Our demolition operations have been completed and all materials and equipment have been removed from site.

### 10 RED ROAD COURT & 10, 20, 30 PETERSHILL COURT

We are continuing with internal works, preparing these buildings for demolition.

### 63, 93 & 123 PETERSHILL DRIVE

We have removed all asbestos materials from block No 123 and the debris netting has been fitted. We are now carrying out internal works in preparation for demolition. Our internal asbestos removal programme is ongoing in blocks No 63 and No 93.

# SAFEDEM AND THE COMMUNITY

Last year we asked the local community to participate in a customer survey. We entered these completed surveys into a prize draw and three lucky winners won Tesco vouchers - 1<sup>st</sup> prize of £100 and two runner-up prizes of £50.

Congratulations to the winners!

Thanks to everyone who took the time to complete these surveys. We are now examining this feedback and hope that we can use this information to improve the way we deliver our evacuation services.

## ST ROCH'S JUNIORS FOOTBALL CLUB

Safedem recently donated training shirts and jackets to St Roch's Juniors F.C. We were also delighted to sponsor Safedem's Man of the Match Award in the cup tie against Thorniewood United F.C.

Safedem also made financial contributions last year to local churches at Christmas time, and to Alive & Kicking to help with repairs to their roof. Do you know of any organisation around Red Road that Safedem might be able to help? If you do, send us an e-mail at [clteam@safedem.co.uk](mailto:clteam@safedem.co.uk), or phone us on 0141 558 3433. You can also visit our Demolition Information Centre opposite 63 Petershill Drive. We are open every Monday, Wednesday and Friday between 10am and 2pm

## SITE SAFETY

We have large-scale machinery operating on these sites. We also have very large lorries travelling to and from the sites. Please keep out of all sites, and please take care crossing the nearby roads. If you see anything on or around the sites that cause any concerns, please contact us immediately.

Remember Safedem's message - BE SAFE
