DEMOLITION OF 153 - 213 PETERSHILL DRIVE

Safedem Ltd has been appointed by Glasgow Housing Association to demolish the first multi-storey block in the Red Road area. Safedem Ltd has carried out the demolition of 13 tower blocks in Glasgow for GHA over the past 4 years, all of which have been highly successful.

It is anticipated that the remaining
Red Road blocks will be demolished over the coming ten years

We are due to set up onsite on Monday 1st December. You will see a boundary fence being erected and site accommodation arriving.

No demolition works will start until the beginning of 2009.

Before any works start on site, we would like to meet with people who live and work within the local community to discuss our proposals.

Our local office has now opened at 30 Petershill Court

Please come and see us between 10am and 2pm Monday to Friday,
or phone us to arrange a time to visit.

Safedem Ltd., 30 Petershill Court, Glasgow, Tel No. 0141 558 3433

e-mail info@safedem.co.uk

Petershill Drive will be closed from 4th December 2008

Petershill Drive will be closed from the bend at the top of Petershill Drive near the nursery school to the bottom of Petershill Drive next to No. 123.

The road will be closed to accommodate our entire site compound.

The road will be closed from 4th December 2008 and will remain closed until the project has been completed. Vehicles can turn around at the parking areas at the south side, while a turning space is being created for vehicles at the north side.

If you would like more information or would like to discuss anything about the demolition project, please contact

Tracey Sinclair at the Safedem Office at 30 Petershill Court,
Telephone Number 0141 558 3433
