DEMOLITION OF 153-213 PETERSHILL DRIVE AND 10-30 PETERSHILL COURT

DEMOLITION UPDATE

Safedem has taken possession of the next block due for demolition. Our site boundary fence is in place and work is progressing well. We are continuing our asbestos removal programme in blocks 153 - 213 Petershill Drive and have now started our asbestos removal operations at 10-30 Petershill Court.

EXTERNAL PANEL REMOVAL

You may have noticed mast climbers being erected on the buildings. Our teams have begun removing the external asbestos panels. You can now see the steel frame construction emerging.

DEMOLITION INFORMATION CENTRE

Our new Demolition Information Centre is now open just next door to 10 Petershill Court. We are open Mondays, Wednesdays and Fridays from 10am till 2pm.

Why don't you pop in to see us? We will be happy to answer any questions you have about the demolition.

Blue Peter visits Red Road

The legendary children's TV programme, Blue Peter has completed day two of filming at the site. Blue Peter is filming the entire demolition process of a tower block and the impact on the local community. The film crew will re-visit the site at key stages through the project with a special report being aired after the demolition takes place.

Considerate Constructors Scheme

Safedem has enrolled in the Scheme for another year. The scheme is concerned about any area of construction activity that may have an impact on the image of the industry as a whole. The main areas of concern focus on the environment, the work force and the general public. All sites enrolled in this scheme are given points based on an 8-point code of practice. These 8 points are considerate, environment, cleanliness, good neighbour, respectful, safe, responsible and accountable. We have just been assessed again and we scored 33.5 points out of a possible 40 points, which rates the site as a very good site. For further information about the Considerate Constructors Scheme, see the notices displayed around the site or phone 0800 783 1423 or go on-line at www.ccscheme.org.uk.
