DEMOLITION OF 153 - 213 PETERSHILL DRIVE AND 10 - 30 PETERSHILL COURT

DEMOLITION UPDATE

Safedem are progressing well in both 153-213 Petershill Drive and 10-30 Petershill Court. We have completely removed all internal asbestos from 153-213 Petershill Drive and 10 Petershill Court. We are now progressing with internal asbestos removal in block 20. We have also started working on removing timber and brick walls to expose the steelwork in preparation for the demolition.

We are aiming to have all external asbestos panels removed from three sides of blocks 153-213 by Christmas. We have also started removing the external panels from the final side of this building. External panel removal will begin on 10 Petershill Court early in the New Year when you will see the mastclimbers being erected on these blocks.

CONSIDERATE CONSTRUCTORS SCHEME

The Red Road site is registered with the Considerate Constructor Scheme. Information about the scheme can be found at www.ccscheme.org.uk or by calling 0800 783 1423. They also have a website exclusively for kids packed full of fun and games. So over the Christmas holidays why not visit www.ivorgoodsite.org.uk and have some fun.
