Demolition Update

Safedem would like to take this opportunity to thank everyone for their co-operation during the demolition of 153-213 Petershill Drive on Sunday 10th June 2012.

Everything went according to plan and we are very pleased with result.

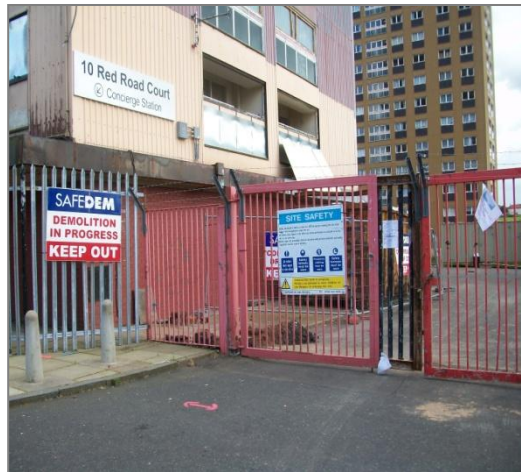

We are aiming to clear the site by the end of the year. We will have lots of machines and lorries in and around the site during this time removing the demolition materials.

21 Birnie Court and 10 Red Road Court

The removal of the asbestos materials from inside 21 Birnie Court is very close to being completed. We are currently removing some fixtures and fittings at 10 Red Road Court to allow the asbestos team to start the asbestos removal in a few weeks time.

Safedem and the Community

Safedem has presented a cheque for £500 to Balornock Community Allotments Association to enhance the programmes they are currently running within the local community. Local children learn to sow and grow their own produce, and then have the opportunity to cook and eat them.

Glasgow StreetFootball

Safedem has supported the first annual Glasgow StreetFootball Tournament held in George Square over 23rd and 24th June 2012. Young people from Glasgow took part in local football sessions and coaching. The local Royston Team finished 3rd in the 16-18 category - well done!
